New-NON Residential Connection

Applications:

To apply for a new residential connection, please bring along the following information to enable us to serve you in a most efficient:

Information for existing home connections:

- **Pictured I.D. / Local I.D. Card.**
- **Correct Address or meter number(s)**
- **Registration at Chamber of Commerce.**
- **Copy of Business License.**
- **Notarial deed (Proof of ownership of property)**

Additional Information for New Homes:

- **Inspection /Building permit from Public Works Department**

Security Deposit:

STUCO requires a cash deposit and signing of the contract before the service is connected. The purpose of the deposit is to secure payment to STUCO for electricity consumed. STUCO reserves the right to amend the deposit amounts. STUCO will assess usage based on electrical appliances installed (or to be installed) and will charge a deposit based on the monthly estimated usage. All deposits are refundable, less any balance due for electricity and water consumed, when the related account is closed.

Additional Information for New Homes:

New homes are subject to the kVA fee. This is a one-time non-refundable charge for connecting the new home to the distribution network. This amount is based on the electrical demand (kVA) mentioned on the inspection form.

Estimated kVA	Amount
3.2 kVA	\$ 196.63
7.7 kVA	\$ 449.44
13.3 kVA	\$ 1404.49
>13.3 - 53.3 kVA	\$ 1404.49 +\$ 561.80 / 5 kVA

- With an estimated maximum demand higher than 13.3 kVa but not exceeding 53.3 kVa, \$ 1404.49 plus \$ 561.80 for each block of 5 kVa exceeding a demand of 13.3 kVa.
- With an estimated maximum demand higher than 53.3 kVa but not exceeding 100 kVa, \$ 5898.88 plus \$ 280.90 for each block of 5 kVa exceeding a demand of 53.3 kVa.
- With an estimated maximum demand higher than 100 kVa but not exceeding 300 kVa, \$ 8426.97 plus \$ 1053.37 for each block of 25 kVa exceeding a demand of 100 kVa.
- With an estimated maximum demand exceeding 300 kVa, \$ 16853.93 plus \$ 1685.39 for each block of 50 kVa exceeding a demand of 300 kVa.

The estimate will be based on the data supplied with the installation card or drawing. If after the connection has been completed, the actual maximum demand exceeds the estimate, the fee concerned can be adapted. The connection fee entitles the owner of the property to the corresponding maximum.
